Subject: Response to Comments *Draft Site 30 Proposed Plan*  
Naval Weapons Station Yorktown and Cheatham Annex  
Yorktown, Virginia

Dear Mr. Smith,

On behalf of the Navy, CH2M HILL has prepared the following responses to comments received on July 28, 2009 regarding the subject document.

**1. Comment** *Insert page needs updated with the correct mailing address for Mr. Kowalski.*

**Response:** The requested edits have been made to the text.

**2. Comment:** *Unbold or add to Glossary of Terms.*

**Response:** The requested edits have been made to the text. The term "Feasibility Study (FS)" has been defined within the glossary.

**3. Comment:** *Unbold or add to Glossary of Terms.*

**Response:** The requested edits have been made to the text. The term "National Priorities List (NPL)" has been defined within the glossary.

**4. Comment:** *Unbold or add to Glossary of Terms.*

**Response:** The requested edits have been made to the text. The term "Site Management Plan (SMP)" has been defined within the glossary.

**5. Comment:** *Unbold or add to Glossary of Terms.*

**Response:** The requested edits have been made to the text. The term “Reasonable Maximum Exposure (RME)” has been unbolded because an adequate definition of the term exists within the text.

**6. Comment:** *Unbold or add to Glossary of Terms.*

**Response:** The requested edits have been made to the text. The term “cancer risk” has been unbolded because an adequate definition of the term exists within the text.

**7. Comment:** *Unbold or add to Glossary of Terms.*

**Response:** The requested edits have been made to the text. The term “non-cancer hazard” has been unbolded because an adequate definition of the term exists within the text.

**8. Comment:** *Unbold or add to Glossary of Terms.*

**Response:** The requested edits have been made to the text. The term “hazard index (HI)” has been unbolded because an adequate definition of the term exists within the text.

**9. Comment:** *Unbold or add to Glossary of Terms.*

**Response:** The requested edits have been made to the text. The term “background” has been defined within the glossary.

Sincerely,

CH2M HILL

In addition, all individual editorial changes made within the document have been accepted and retained and are not discussed on a case by case basis within this letter.
